Urban displacement

↓ Lia

Lia annual subscriptions give access to buses, trams and also the funicular. For young people aged 20 to 28, these annual subscriptions cost €20 per month (or €240 per year). For scholarship students, the annual subscription increases to €18.75 per month (or €225 per year).

More info on : [Lia \(transports-lia.fr\) \(https://www.transports-lia.fr/\)](https://www.transports-lia.fr/)

↓ Lia Vélo

For a **classic bike**, the subscription is free, only a deposit of €200 is required.

For an **electrically assisted bicycle**, the monthly subscription is €24 with a deposit of €1000. For Lia annual subscribers, the monthly subscription increases to €10.

Bike rental lasts a maximum of 1 year. Afterwards, you must renew the contract

with the Lia Vélo agency.

↓ **By car**

The student **car parking subscription** is only €10 per month !

La Roue Libre Association: maintaining your bike

Bicycle repair workshops are organized every first Wednesday of each month at the University of Le Havre Normandy. The La Roue Libre association offers easy and inexpensive solutions for

maintaining your bike! It organizes various activities, including a cycle-cultural café, to encourage exchanges and share convivial moments.

Accommodations

↓ Shared accommodation with solidarity projects

KAPS by AFEV allow young people to live in **shared accommodation** and get involved in working-class neighborhoods, through **projects** that create links between residents.

↓ AHLOET

The Le Havre Association for Student Housing is a unique system in France which **labels accommodation** for students (**2000** labeled beds).

Find these accommodations on the site : [Ahloet \(https://ahloet.fr/\)](https://ahloet.fr/)

↓ Accommodation Pass

The "Pass'logement" is a system which aims to encourage young people aged 18 to 25 who are moving into accommodation, to **equip themselves with associations** or integration companies recycling household appliances and second-hand furniture. The aid worth **€150** is valid for 6 months at Secours populaire, at Le Grenier, etc.

To find accommodation

To support young people in their search for housing, in 2023, the Urban Community has deployed the site : **Logement Jeunes ([lehavremetro.fr](https://logementjeunes.lehavremetro.fr/))** (<https://logementjeunes.lehavremetro.fr/>)

Food

↓ Solidarity Seagulls

The Les Mouettes Solidaires association aims to provide everyone with access to **healthy, quality food** by favoring local products that respect the environment and people. It sets up **solidarity baskets** and all other solidarity actions, particularly among students.

Twice a month, **workshops** are organized to teach young people how to cook, taking into account the equipment they have in their accommodation.

↓ **Seed in hand**

Graine en main is a system offering "**solidarity baskets**", that is to say organic vegetable baskets at a very attractive price for students.

↓ **Neighborhood tables**

The "Tablées de Quartier" association cultivates social bonds around the preparation of meals made from local products. For a high-quality **meal**, count on **€10 to €15** at **Hangar Zéro**, a citizen laboratory for ecological transition.

↓ **Agoraé by FED'LH**

The Agoraé is a **space for exchanges and solidarity** which consists of a living space open to all and a **solidarity grocery store**. Supported by the Fed'LH, with the financial support of the city of Le Havre, the Agoraé currently has 50 beneficiaries who have the opportunity to purchase quality products at 10% of their price (canned goods, fresh products, hygiene...). The average cost of the shopping basket is **€1.50**. A laundromat was attached to the grocery store.

↓ My sports coach

The city of Le Havre offers **free daily sports sessions** throughout the year, including varied activities such as Urban training.

↓ A healthy summer

On the program **every summer, free** activities for all ages, all levels in all neighborhoods to get in shape.

In July and August, the city offers sports initiations **every day**, open to all, supervised by qualified sports instructors.

Alone, with family or friends, you will discover varied and fun activities throughout the city.

- > By the sea (Beach Sports Area, Maritime baths.....)
- > In the swimming pools of Mare-Rouge, Edouard Thomas and Cours de la République and at Bassin du Commerce
- > In parks and gardens (Montgeon Forest Park, Hanging Gardens, Square Saint-Roch, etc.)
- > Throughout the city (Pôle Simone Veil, Polygone, Maximilien Robespierre gymnasium.....)

You can **r e g i s t e r** for the activities online
at this link

(<https://www.linscription.com/pro/lehavre.php>) or on site at the Cabane Lhété
en forme located next to the skatepark and at the activity locations.

↓ Nautical sports

Studying on a seaside campus offers the opportunity to practice water sports. During the summer, **introductions** to paddle boarding, sports rescue and sea swimming are **free**. In addition, students benefit from reduced rates for **rental of nautical equipment** such as canoes, at a price of **€5**. In addition, a free loan service for equipment, such as rackets, balls and mini golf clubs, at the beach and in the forest is offered.

↓ Swimming pools

Students can benefit from reduced rates for access to municipal swimming pools (**€2.50** instead of €3.50). Every summer, all swimming pools are even accessible at the single rate of **€1**.

↓ Ice skating rink

The Le Havre ice rink offers reduced prices for students (**€4.20** instead of €5.80).

↓ Group of friends

To support the HAC in league 1, students can benefit from reduced rates thanks to the “Band of friends” offer.

International mobility

↓ Aid for International Mobility

AMI is an international mobility aid from the Ministry of Higher Education and Research and Innovation (Aid managed by the International Relations Department). This system is intended for scholarship students based on social criteria.

- For a departure under the Erasmus+ program: 4 monthly payments of €400, or €1,600, for one year or 2 monthly payments of €400, or €800, for one semester;
- For a departure outside Europe: 6 monthly payments of €400, or €2,400, for one year or 3 monthly payments of €400, or €1,200.

↓ Erasmus+

The **Erasmus+ program** makes it possible to award an **allowance** to students of all nationalities who undertake study mobility, outside their country of origin, subject to the availability of Erasmus+ funds.

The amounts are distributed as follows :

- > €310 per month for group 1 countries;
- > €260 per month for group 2 countries;
- > €290 per month for group 3 countries.

↓ **Mobility Fund of the University of Le Havre Normandy**

In addition to other systems, Le Havre Normandy University has set up its own mobility assistance fund.

↓ **World Pass**

The **Normandy Region** has set up the **PASS MONDE system** to financially support students who have gone abroad for studies or internships as part of their university studies.

To benefit from this grant, you must be **domiciled (tax household) in Normandy**, and have a family quotient (reference tax income/number of shares) of less than **€30,000**.

And more !

↓ **Youth Information Office**

The **BIJ** is the one-stop shop for information on all issues that young people may encounter. The welcome is friendly, open and free. Professionals answer

questions and offer support to Campus students.

↓ Youth Aid Fund

The **FAJ** was set up by the Seine-Maritime department for young people who encounter **difficulties entering professional life**. Each year, around **2,500** young people are supported by this system. This aid can help finance training, housing, health or mobility costs. Assistance in preparing a driving license can reach up to €1,500.

↓ Youth and Community Life Service

This service is a **support system for student projects**. Support in terms of communication, logistics and methodology is offered to student associations for cultural or sports activities projects. Around thirty projects are supported each year (e.g. Festival, races, competitions, etc.).
