Here are all the resources you need to help you succeed in your professional immersion during your studies. Whether you are looking for a rewarding internship, a training apprenticeship, or flexible student employment, you will find complete FAQs and useful links to guide you in your efforts. Prepare to enter the world of work with confidence and ambition on the Le Havre-Normandie Campus.

## To guide you as best as possible

### **BIJ**

The Youth Information Office is a one-stop shop for information on all issues that young people may encounter. Reception is anonymous, open and free.

The **BIJ** will allow you to support your research and guide you. Find them at the Simone Veil center.

**CIO**

The information and orientation center's mission is to provide information on studies, professional training, qualifications and professions. These are places open free of charge to young people in school or not, to parents, to students. Find them at the Simone Veil center.
